MIDWAY ANNUAL STAFF

MIDWAY INDEPENDENT SCHOOL

This year, the Annual Staff is breaking with the traditional dedication and dedicating this year's Falcon to all the people of the surrounding communities which comprise the Midway School District. You have all helped to add spirit and vigor to the school and to make the community a place to be proud of living in. It is our wish that you will continue to make a name for your communities and your school in the future.

DEDICATION

REFLECTION

72

Reflection is a time when you can look back on your life and remember and learn from your mistakes. You can think about that special party or that great friendship. For some it's a time to think and laugh about all the silly little things you once did.

Reflection is when you can remember when one of the kids put a snake in the teacher's desk. Or when you had to sit on the front seat of the school bus.

Reflection is the sun breaking into little ripples on the water and getting in your eyes while you are trying to fish.

So, take this edition of the FALCON and use it as a reflection of that great year 1972.

It is my sincere wish each day th
Midway School may educate the bo
and girls in a manner that will enab
them to become worthy possessors
all the great heritage our count
has.

C.J. Hughes

Midway Wins

By BILL McMILLAN
Record News Sports Writer

HENRIETTA, Tex. — Midway came out at the top of the heap Monday night, when they tangled with Valley View, by a a score of 72-64. This Bi-district victory sends the Falcons to the Regional Tournament in Stephenville March 3, 4.

Valley View led 7-2 as they started off the game with a rush but Midway came back and played a dominating game.

The Falcons led the Eagles by a score of 19-9 at the end of the first quarter due to the fast moving play of Ralph Campbell and the straight shooting of Kirby Castle and Jack Miller. Castle, who was high point man for the Falcons with 24 points, connected with short jump shots and lay-ups.

Valley View started drawing a bead on the basket during the second quarter with layups by Ricky Barthold, who pumped in 28 for the Eagles, and outside shots by Calhoun and Norman Mills. This just seemed to make the Falcons go faster as Bob Howard and Campbell repeatedly stole the ball and pumped it in to build up a 14-point lead late in the second quarter.

Barthold, Eagle post man, got hot just as the clock turned under one minute and put jumpers in the bucket to cut Midway's lead to seven as the half-time buzzer sounded.

Both teams started off cold in the third quarter until Valley View broke the ice, picked up the pace and drew to within one point on Norman Miller's shot from the charity line.

The fast-moving Falcons put the pressure on and rebounding by Castle and Miller kept the Midway team in control of the ball until less than one minute remained in the third quarter. The Eagles came alive and cut the Falcon lead to eight points.

The fourth quarter opened with both teams moving as fast as they could but the Falcons kept hiting the

basket and built up a 14 point lead.

Valley View's Barthold and Darrell Wolf started getting the gauge on the bucket and cut Midway's lead to six points then four points, then foul trouble.

Fouls called on the Eagles kept them from getting any loser to the lead as the

straight-shooting Falcons built up an eight-point lead at the charity line, and held it up until the final buzzer.

Falcon Coach John Guice commented, "We had to play a much faster game than we wanted to, but the Valley View team was moving fast and we had to stay with them."

Midway Crushes Knights, 97-66

JOY, Tex. — Awesome Midway crushed usually potent Notre Dame 97-66 here Tuesday night behind the brilliant shooting of E. C. Crump and Bob Howard.

Howard had 23 points while Crump flipped in 20 to lead the Falcons who are shooting for a fourth straight District 29-B basketball championship.

Notre Dame has already clinched a second consecutive TCIL district crown but suffered an off night from the floor.

Blond-haired Barry Macha flipped in 14 points, mostly from long-range while consistent David Walch connected for 14 to lead the Knight attack.

Falcon coach John Guice said he felt his team "was finally beginning to put it all together." Midway enters the district tournament Friday in Henrietta.

The victory was Midway's 30th against only eight losses.

Jack Miller was the top rebounder for the Falcons with 10 while Kirby Castle contributed nine.

In the B game Midway fell to Notre Dame 74-56. Doug Moss had 29 for Midway in that game.
